Chemical Engineering

Mailing Address:

Department of Chemical Engineering (MC 110) 929 W. Taylor Street Chicago, IL 60607

Contact Information:

Campus Location: 226 EIB (312) 996-3424 cheuic@uic.edu www.che.uic.edu

Administration:

Head of the Department: Vikas Berry Director of Graduate Studies: Ying Liu

Program Codes:

20FS0300MS (MS) 20FS0300PHD (PhD

The Department of Chemical Engineering offers a program leading to degrees in Chemical Engineering at both the master's and doctoral levels. The primary areas on which this program is based are continuum and molecular transport phenomena, complex fluids and soft matter, nanotechnology, macroscopic and microscopic thermodynamics, chemical kinetics, and process analysis, microelectronic materials and processing, catalysis and surface science, electrochemistry, drug delivery, and biotechnology.

Admission and Degree Requirements

- MS in Chemical Engineering
- PhD in Chemical Engineering
