**Program Codes:**

2PFS5519MSU

The MS in Comparative Effectiveness Research provides skills and knowledge relevant to conducting comparative effectiveness research for application in the pharmaceutical and healthcare industries. The degree is designed primarily for individuals already working in a pharmaceutical or medical product company, government agency, or in a healthcare organization, who would like to become competent in this area of research. The program is 100 percent online, making it convenient and accessible for working professionals.
