20FS1638PHD (Health Policy and Administration PhD)

The School of Public Health offers work leading to the Master of Science and Doctor of Philosophy degrees in Public Health, Master of Science in Clinical and Translational Science, Master of Healthcare Administration, and Professional Executive Master of Healthcare Administration. The school also offers the Master of Science in Biostatistics, Master of Science in Epidemiology, and Master of Science in Environmental Health. The school also participates in the Medical Scientist Training Program with the College of Medicine leading to a joint MD/PhD degree.

Master of Science and Doctor of Philosophy students may apply into a primary concentration in Health Policy and Administration.

The School of Public Health also offers programs leading to the Master of Public Health and Doctor of Public Health, and participates with other academic units in offering the MBA/MPH, MD/MPH, MD/MPH Population Health for Healthcare Professionals, DVM/MPH, MUPP/MPH, and MSW/MPH joint degree programs; and a coordinated JD/MPH with UIC School of Law. These professional degree programs are not part of the Graduate College.
