Introduction
The College of Architecture, Design, and the Arts is a unique group of schools and affiliated units dedicated to the investigation, creation, and interpretation of our physical, social, and sensory environments. With degree programs in the visual arts, design, theatre and music, architecture, and art history, the college is the only place in Chicago where one can prepare for a career in the arts and design within a major research university. The college is home to an energetic, award-winning faculty of practicing architects, artists, designers, museum professionals, art historians, musicians, directors, and theatrical performers. Through their instruction and ongoing research, the faculty introduces students to disciplinary and professional themes of contemporary importance and fosters a vibrant atmosphere of intellectual and creative inquiry.

The College of Architecture, Design, and the Arts is a leader in visual and performing arts and design education and research in the city of Chicago, the nation, and the world. The college considers its location in Chicago—a world-class cultural center, and a site of complex social realities—a primary asset. It has developed partnerships with significant local museums, theaters, firms, and other cultural institutions, as well as collaborations with a wide range of programs across the university. UIC’s status as an urban public institution drives the college’s interest in engaging urban issues and providing access to excellence in the arts and design to diverse audiences.

From this setting, the college also advances a global agenda: to break ground in the arts and arts research and to generate new knowledge, informed by both historical precedent and the use of new technologies for expression and instruction. The College of Architecture, Design, and the Arts extends the traditional boundaries of research and practice in order to meet the challenges of a changing economy. Faculty and students alike realize that the next generation of graduates must be equipped to operate creatively and knowledgeably in a broadening cultural arena and to think with an international perspective. To that end, the college has attracted a number of internationally recognized faculty and developed student exchange programs in Argentina, Austria, Brazil, Canada, France, Germany, Hong Kong, Italy, The Netherlands, Mexico, Russia, Sweden, and Switzerland.

The College of Architecture, Design, and the Arts is composed of the School of Architecture, the School of Art & Art History, the School of Design, and the School of Theatre & Music, as well as the Jane Addams Hull-House Museum, a National Historic Landmark and museum committed to social justice, and Gallery 400, a dynamic, cutting edge contemporary art gallery. Curricula are offered in architecture, art, history, design, and theatre and music, leading to the baccalaureate degree in the arts and arts research and to generate new knowledge, informed by both historical precedent and the use of new technologies for expression and instruction. The College of Architecture, Design, and the Arts provides innovative, rigorous, and comprehensive academic and performance programs as part of its diverse, urban context.

All work submitted by students for credit in any course in the college belongs to the Board of Trustees of the University of Illinois; the University reserves the right to retain, copyright, use, exhibit, reproduce, and publish any work so submitted.
For information on the College of Architecture, Design, and the Arts, see the web page http://cada.uic.edu.

**Accreditation**

Qualified graduates from the Bachelor of Science in Architecture program may apply for advanced standing in the school’s professional Master of Architecture degree program, or at other accredited schools of architecture. The University of Illinois at Chicago’s Master of Architecture program is accredited by the National Architectural Accrediting Board (NAAB). Master’s degree programs may consist of a preprofessional undergraduate degree and a professional graduate degree, which, when earned sequentially, comprise an accredited professional education. Although oriented to NAAB criteria, UIC’s undergraduate preprofessional degree is not an accredited professional degree.

**Degree Requirements**

To earn a College of Architecture, Design, and the Arts degree from UIC, students need to complete University, college, and department/school degree requirements. University and college degree requirements for all College of Architecture, Design, and the Arts students are outlined below. Students should consult their department or school section for additional degree requirements.

**Semester Hour Requirement**

The College of Architecture, Design, and the Arts semester hour requirement varies by degree program.

**Other Requirements**

**Degree Program**

Each school and department in the college has a different set of foundation and major course requirements. Students must fulfill all the foundation and major course requirements outlined for their degree program.

**Course Level Requirement**

Each school or department in the College of Architecture, Design, and the Arts has specific upper-level requirements for their degree programs. Students should consult the individual unit for details on required 200-, 300-, or 400-level course work.

**Course Work Limitations**

Course work that duplicates previous credit does not count toward graduation; no credit is given for a course in which a failing grade is received.

Credit earned in ENGL 050, ENGL 060, ENGL 070, and ENGL 071 and MATH 070, MATH 075, and MATH 090 will not fulfill college degree requirements. (By exception, students may earn 3 semester hours of credit in ENGL 070 and ENGL 071 and receive a waiver of ENGL 160 for the term in which they receive written authorization from the Department of English.)

Students whose placement test results require taking several courses that carry no graduation credit should plan on additional terms of enrollment to complete the required curriculum. All courses are included, however, for determining a student’s full-time/part-time status; for computing cumulative grade point averages (except for 000-level courses); and in determining probation, dismissal, and Dean’s List statuses.
Elective Credit
The University, college, school, and department degree requirements may not provide all the hours required for graduation. The remaining credits are completed through elective courses, whose careful selection should serve to enrich students' knowledge and understanding. Elective courses should always be chosen for educational ends and not for the sake of convenience.

Full-Time Enrollment
Students in the college are expected to carry a full-time load in order to make satisfactory progress toward their degree. Students should consult with their school/department advisor if they enroll in a part-time schedule to determine their degree progress and projected graduation date.

Grade Point Average (GPA) Requirement
College of Architecture, Design, and the Arts students cannot graduate with less than a 2.00/4.00 GPA in all work taken at UIC, in all work taken in the major field, and in all work accepted for transfer by the University (transfer work plus work taken at UIC).

Graduation Declaration/Filing to Graduate
Students who are within two terms of graduation should first contact their school or department and the college office for a complete check of their progress toward the degree. A diploma cannot be ordered until a student has completed this graduation check.

Students declare their intent to graduate online using my.UIC. The deadline for submission to the Pending Degree List is the end of the third week (fall and spring) or second week (Summer Session 2) of the term in which graduation is sought. Failure to submit the request at this time may delay the awarding of the degree. A final review will be made following the close of the term. If a student has satisfactorily completed all the degree requirements, the student's name will be placed on the official degree list.

Enrollment Residence Requirement
Either the first 90 or last 30 credit hours of degree work must be completed in continuous, uninterrupted enrollment residence at UIC. Concurrent attendance at the University of Illinois at Chicago and another collegiate institution or enrollment during the summer at another institution, when approved by the student's college, does not interrupt the UIC enrollment residence requirement for graduation. Students who transfer from an accredited community college must earn at least 60 credit hours at an approved four-year institution and must meet the enrollment residence requirement of earning the last 30 semester hours at UIC.

Transfer Credit
No more than 60 semester hours (90 quarter hours) of credit may be accepted as transfer work from a community or junior college. Transfer students from community or junior colleges should consult with the major department or school to discuss transfer credit. All final acceptance of transfer credit will be determined by the college upon review of recommendations by the school or department.

Transfer Credit for Continuing Students
Continuing students in the College of Architecture, Design, and the Arts must submit a petition in order to take courses at other universities for credit toward the baccalaureate degree.

College Policies

Academic Load
During the fall and spring semesters, a full-time program is from 12 to 18 hours. Above 18 semester hours is considered an overload and may only be taken if a student is recommended by a school or department advisor and approved in the college office. For Summer Session 1 (Four-Week) and Summer Session 2 (Eight-Week), UIC considers a total aggregate of 6 semester hours as the minimum number necessary to constitute full-time enrollment, and a program of more than 14 hours must be approved.

Academic Probation and Dismissal Rules
Students on academic probation are notified by letter to see a college advisor for counseling. Counseling is viewed by the college as an important determinant in the retention of students. Students may be referred to the Counseling Center or other campus offices as deemed appropriate for retention purposes. Counseling may be made part of the conditions of academic probation.

Probationary status is determined by letter grades earned at the end of any term. Grades of I (Incomplete) do not exempt a student from probationary and dismissal regulations.

Probation Rules

Academic Probation. A student whose term grade point average or UIC cumulative grade point average or combined UIC and transfer grade point average is below 2.00/4.00 is placed on academic probation and advised to enroll full-time for a minimum of 12 semester hours of credit and earn grades of B or better the next term in residence, excluding the summer session. Students unable to maintain a minimum of 12 semester hours of enrollment should consult with a college advisor to establish a plan for satisfactory progress.

Terminal Probation. A student who is on probationary status for two consecutive terms is placed on terminal probation. The student is required to make an appointment to see an advisor in the college office during the third and fourth weeks of the following semester. Students on terminal probation may be dismissed for poor academic progress and are jeopardizing their enrollment in the University.

Dismissal Rules
A student on academic or terminal probation may be dismissed from the University under one of the following conditions:

1. Failure to earn at least a 2.00/4.00 (C) average while on academic probation.
2. Failure to meet any special conditions stated at the time of probation.
3. Failure to earn at least 3 hours of credit and whose term grade point average is 1.00/4.00.
4. Failure to make progress towards completion of the degree requirements of the college.

Students should follow the advice in the letter sent to them.

Admission for First Year Students
Admission to the college is highly selective and competitive, and admission standards are much higher than the minimum ACT/SAT and HSPR for the campus. Due to the high demand for limited spaces in the college's programs, it is recommended applicants submit their credentials as early as possible in their senior year in order to have the best chance for admission. All admission decisions are final due to the demand for
space in all programs. All programs require international applicants to present a minimum Test of English as a Foreign Language (TOEFL) score of 80, with subscores of Reading 19, Listening 17, Speaking 20, and Writing 21 (Internet-based).

**Change of Course Schedule—Dropping Courses**

Undergraduate students may drop courses using my.UIC through the end of the second week of classes for fall and spring semesters, the first Wednesday of Summer Session 1, or the first Friday of Summer Session 2. During weeks 3 through 10 of the fall and spring semesters (first Thursday through the second Wednesday of Summer Session 1 or weeks 2 through 5 of Summer Session 2), students may drop courses with the permission of their major college. If the drop occurs between 0 and 2 weeks in fall and spring, there will be no notation on the transcript. If the drop occurs during weeks 3 through 10 in fall and spring (first Thursday through the second Wednesday of Summer Session 1 or weeks 2 through 5 of Summer Session 2), a W is noted on the transcript. Undergraduate students may drop a maximum of 4 UIC individual courses that result in a W notation on their transcript during their entire undergraduate degree program. College of Architecture, Design, and the Arts students must complete a request form in 208 JH.

**Change of Major**

Students wishing to change majors within the college should consult the individual school or department advisor(s) and complete an application in the college student affairs office, 208 JH.

**Class Attendance**

Students are expected to attend all lectures, discussions, and laboratory/studio sessions. School or department faculty may establish minimum attendance requirements.

**Closed Courses**

No student may be admitted to a closed course in the college unless the director or chairperson has approved an increase in capacity, which is usually restricted by educational policies, budget, and maximum room capacities.

**Course Prerequisites**

Course prerequisites are listed in both the Undergraduate Catalog and the semester Schedule of Classes. Only the director or chairperson may waive a prerequisite, if given evidence that the student is adequately prepared to pursue the subject area.

**Credit/No Credit Option**

Students may elect to take a course under the credit/no credit option according to the following provisions:

1. The student must be in good standing. Students on probation or whose status is undetermined at the time in which they elect the option are not eligible.
2. A maximum of 21 semester hours of credit may be earned at UIC under the credit/no credit option. If a student withdraws from a credit/no credit course before the end of the last day of instruction in the tenth week of the term, the credit hours the course carries will not count toward the total of 21 authorized.
3. No more than one course per term may be taken under this option.
4. This option may not be used in any course required for the major or a minor, including prerequisite and collateral courses. This includes any course specifically listed by rubric or course number as a requirement in a student’s curriculum.
5. Under certain conditions, electives may be taken under credit/no credit; courses being used for specific graduation requirements (such as art history electives) must be taken for a letter grade. For specific credit/no credit rules for prerequisite and collateral courses, please see an advisor in the Office of Student Affairs located in Room 208, Jefferson Hall.
6. This option may not be used for ENGL 160 and ENGL 161.
7. Students may not use credit/no credit to satisfy foreign language requirements in college programs requiring one- or two-year sequences.
8. The credit/no credit option cannot be revoked after the close of the tenth day of instruction in the term.
9. Instructors are not informed that the option has been elected but assign a letter grade in the usual manner.
10. For courses taken under the credit/no credit option, a grade of CR is recorded on the transcript if a letter grade of A, B, C, or D is earned. If the letter grade F is assigned, an NC is entered on the transcript. I and DF grades are replaced by CR or NC upon completion of the courses or converted to NC if the course completion deadline for an I is not met.
11. The grades of CR and NC are not used in the computation of the grade point average. It is the responsibility of the student to determine eligibility under the credit/no credit option.
12. Students must apply at their college office no later than the tenth day of the term (first Wednesday of Summer Session 1 or first Friday of Summer Session 2) to have a course designated for credit/no credit grading option. Students must report to the Office of Student Affairs, 208 JH to complete a credit/no credit request form.
13. Students with questions concerning their eligibility should make an appointment with a college advisor.

**Declaring a Major**

Students who have completed the foundation programs in Art and Design and/or who have earned at least 60 semester hours must declare a major with their school.

**Double Major, Double Degrees, and Second Bachelor’s Degree**

**Double Major**

This option is not available in the College of Architecture, Design, and the Arts.

**Double Degrees**

A student may receive two degrees concurrently from the College of Architecture, Design, and the Arts. The student must complete a minimum of 30 semester hours of credit beyond the requirements of the first degree in courses not offered for the first degree. The student must additionally meet all the requirements for the second degree specified by the college and the major. Students seeking double degrees should contact the appropriate school or department for a curriculum evaluation and then make a declaration for double degrees in the college office.

**Second Bachelor’s Degree**

Students who have already earned a bachelor’s degree from UIC or another institution may receive a second bachelor’s degree from the College of Architecture, Design, and the Arts. Students seeking a second bachelor’s degree must formally apply to the program. The student
must complete a minimum of 30 semester hours of credit beyond the requirements of the first degree in courses not offered for the first degree. The student must additionally meet all the requirements for the second degree specified by the college and the major.

Full-Time Enrollment
Students in the college are expected to carry a full-time load in order to make satisfactory progress toward their degree. Students should consult with their school/department advisor if they enroll in a part-time schedule to determine the consequences to their degree program and projected graduation date.

Graduate-Level Courses for Undergraduate Credit
With school or department approval, an undergraduate student may enroll in a course in the Graduate College (500-level) for undergraduate elective credit. Students should obtain approval prior to enrollment.

Students should understand, however, that graduate courses do not automatically apply toward an undergraduate degree. Additionally, graduate-level courses taken by an undergraduate student are generally not applicable toward a graduate degree.

Independent Study
The college offers courses entitled Independent Study, in which a student’s special interests may be pursued under the direction of a faculty member. To enroll in such a course, the student must obtain consent of the instructor and the school or department offering the course.

Petition Procedure
Any rule, regulation, or action of the college may be appealed through the use of a student petition. Petitions are available in the college office. It is the student’s responsibility to obtain all necessary approvals on the form before submitting it to the college office for review. Turning in the form does not guarantee approval of the request. Students will be notified of a decision, but they should inquire about the status of their petition after ten working days.

Proficiency Examinations
Students interested in earning proficiency credit should contact the school or department directly for information concerning eligibility. A student who earns proficiency credit is given the amount of credit toward graduation regularly allowed in the course. Proficiency credit is not considered an interruption of enrollment residence for graduation, nor does it apply toward satisfying the minimum requirement of the degree if the last 30 semester hours must be earned in enrollment residence.

Registration Approval
Students in the School of Art & Art History and the School of Theatre & Music must consult with an advisor for registration. An advising hold will be placed on each registration and will only be released upon verification of department advising.

Repeat Policy for Standard Graded Courses
Students may repeat a course to increase their knowledge of the subject matter. There are circumstances under which repeating a course is advisable and to a student’s advantage. There are also circumstances where repeating a course may disadvantage a student and narrow a student’s options. Some colleges require students to discuss any plan to repeat a course with their academic advisor before they register to repeat the course.

Courses with A or B grades may not be repeated. Normally, courses with a C grade may not be repeated. Courses with D or F grades may be repeated once without written permission. In all cases, the original grade for the course and the grade for each repeat will appear on the transcript. The original grade will be calculated into the grade point average, unless the student initiates a request for Repeating a Course with Grade Point Average Recalculation as described below. Only one registration for the course counts toward the total number of credits required for graduation. A course cannot be repeated after receiving credit in a course for which the repeat course is a prerequisite.

To repeat a course more than once requires written permission from the student’s college dean. Students who have been dismissed may not appeal on the grounds of intention to repeat courses. Certain courses may not be repeated; students should consult their college before repeating a course.

Repeating a Course with Grade Point Average Recalculation
Important Note: Grade point average recalculation for a repeated course is not automatic. The student must initiate a request in the college office as outlined below.

For the grade point average recalculation policy to apply, a student must declare to his or her college the intent to repeat a course for a change of grade. Students must submit this request to their college before the end of the official add/drop period, no later than the second Friday of the fall and spring semesters, the first Wednesday of Summer Session 1, or the first Friday of Summer Session 2. The course must be repeated within three semesters of the receipt of the original grade, and it must be taken at UIC. Only one registration for the course counts toward the total number of credits required for graduation.

Undergraduate students are allowed grade point average recalculation in up to four repeated courses. Under the course repeat policy, all courses taken and their grades appear on the transcript in the semester in which they were taken. Under the grade point average recalculation policy, the grade earned the first time the course is taken will be dropped from the calculation of the cumulative GPA and the grade(s) earned when the course is repeated will be used in the calculation. This rule holds, even if the second grade is lower than the first. If a course is repeated more than once, the first grade is not counted in the GPA, but all other grades for that course are calculated in the cumulative GPA.

Transferring
Intercollege Transfer Students
UIC students interested in admission to one of the majors offered in the college must complete an intercollegiate application available in the college office, 208 Jefferson Hall. All applicants must be in good standing, not on academic probation or undetermined status. Eligibility varies by department and school.

Admission to the college is selective and competitive and admissions standards are higher than the minimum grade point average requirement.

**Transfer Students from Other Colleges and Universities**

The minimum transfer grade point average for admission to the College of Architecture, Design, and the Arts varies with each school or department. Admission and placement in the School of Architecture and the School of Design are highly competitive, and admission is determined by the availability of space in the level of program appropriate for the transfer student. All admission decisions are final due to the demand for space in all programs. Students should refer to the requirements listed for each program.

All programs require international applicants to present a minimum Test of English as a Foreign Language (TOEFL) score of 80, with subscores of Reading 19, Listening 17, Speaking 20, and Writing 21 (Internet-based).

**School of Architecture: BS in Architecture.** Students who have completed at least one full year of architectural design work at another university or college are eligible to apply for advanced placement in the School of Architecture. Applicants wishing to apply for advanced placement must submit a portfolio of design work to the academic advisor in the school. For more information on the portfolio requirement, please visit [http://www.arch.uic.edu/admissions/ug_transfer.php](http://www.arch.uic.edu/admissions/ug_transfer.php).

Advanced placement is a competitive process that is limited to spaces available in the level of program appropriate for the transfer student. Acceptance into the school does not guarantee advanced placement.

**School of Architecture: BA in Architectural Studies.** The program will admit undergraduate students having completed two years of college, either at UIC or at other institutions. In all transferrable course work, applicants must earn a minimum cumulative grade point average of 2.75/4.00 (A=4.00) and at least 60 semester hours at time of enrollment in order to be considered for admission.

**General Education Courses**

- Analyzing the Natural World
- Understanding the Individual and Society

Understanding the Past
Exploring World Cultures
Understanding U.S. Society

**School of Art & Art History.** Portfolio review for advanced standing is available to transfer students with a minimum of 15 credits in art courses. For more information, contact the School of Architecture, Design, and the Arts Office of Student Affairs at (312) 996-3351. **PLEASE NOTE:** The School of Art & Art History will require a portfolio review upon completion of the first-year program before entry into the Art major. Portfolios will be reviewed in April, and students will be admitted into the major during the fall semester only. Please contact the school or go to the website [http://artandarthistory.uic.edu](http://artandarthistory.uic.edu) for information regarding the dates and times for this review.

Admission to the Department of Art History is selective and competitive; admissions standards are typically higher than the stated minimum grade point average.

**School of Design.** Students who have taken art and design courses at a community college should be aware that these courses will be credited as electives only. Because courses are structured around specific goals, the school strongly encourages potential majors to complete their first-year program requirements at UIC’s School of Design. **PLEASE NOTE:** The School of Design will require a portfolio review upon completion of the first-year program before entry into the Graphic Design and Industrial Design majors. Portfolios will be reviewed in April, and students will be admitted into the major during the fall semester only. Please contact the school or go to the website [http://design.uic.edu](http://design.uic.edu) for information regarding the dates and times for this review.

**School of Theatre & Music.** For advanced placement in the music and theatre programs, introductory music courses require a minimum grade of C and introductory theatre courses require a minimum grade of B. Acting and music majors require an audition. Also, music transfer students will be required to take a placement test in music theory to determine the correct level in which to place them.

**Transferring Out of the College**

A student in the College of Architecture, Design, and the Arts who wants to transfer into another college must follow the new college’s application procedure.

**Minors**

The College of Architecture, Design, and the Arts offers the following minors.

Academic Advising

Advising Policy
Students in the college are required to see an advisor for registration and enrollment. Advisors are generally assigned to students during the academic year.

Contact Information
The School of Architecture, the School of Design and the School of Art & Art History post advisor assignments. Students in Art History should check with the departmental office for assignment of advisors. Students in the School of Theatre & Music should consult the school for specific instructions concerning the assignment of faculty advisors.

Academic Honors

College Honors
College Honors will be awarded at the time of graduation to students who have earned a GPA of at least 3.40/4.00 for all work presented for the degree, and who rank among the top 15 percent of the students graduating in the college.

Dean’s List
Outstanding academic achievement in the College of Architecture, Design, and the Arts is recognized by inclusion on the Dean’s List. Eligibility is based on a 3.50/4.00 term GPA with a program of 12 semester hours of letter grades in a regular semester or 8 semester hours of letter grades in the summer session. If any course is taken on a credit/no credit basis, a grade of CR must be earned.

Student Organizations
