In addition to specified course work in the major field, the teacher education student must fulfill certain other requirements as well as maintain a minimum cumulative GPA of 2.50/4.00 in all LAS and General Education requirements and a GPA of 3.00/4.00 or greater in courses for the Teacher Education in French major including education courses. For detailed information, see the Program Guide for Teacher Education in French, available from the secondary education coordinator in the Department of French and Francophone Studies.

The teaching license is not automatically awarded upon successful completion of licensure and degree requirements. Before the license is issued, the candidate must file an application for the Illinois teaching license with the Council on Teacher Education. The candidate must also pass a series of examinations required by the Illinois State Board of Education. The Basic Skills Test must be passed prior to applying for candidacy with the Council on Teacher Education. The Content Area Test must be passed before the candidate is allowed to student teach. The Assessment of Professional Teaching must be passed prior to licensure. For information on application procedures, contact the Council on Teacher Education located in 3015 ETMSW. See the Council on Teacher Education section of the catalog.

Secondary and Foreign Language Education Information

Declaration of Teaching Curriculum

When: As soon as a student decides to pursue licensure as a secondary or foreign language teacher, the student should declare the appropriate curriculum in the host department.

Prerequisites: There are no prerequisites to declare a “Teaching of…” curriculum in LAS (except “Teaching of Mathematics” which requires registration in Math 180 or equivalent standing). However, there are specific GPA requirements to remain in good standing and remain eligible for candidacy in each of the programs. These GPA requirements can be found in the undergraduate catalog: http://catalog.uic.edu/ucat/colleges-depts/liberal-arts-sciences.

Timeline: Most “Teaching of…” curriculum students enrolled full-time should be able to complete their undergraduate course work and licensure requirements in four years, if they declare within their first four semesters. If a student does not make this decision until their junior year (5th semester or later), pursuit of the curriculum and teaching licensure will result in an extended undergraduate career. Model plans are available for transfer students and those beginning at UIC and declaring early; these are only to serve as an example for students considering the curriculum. Students should meet with the advisor in their department for personalized recommendations and timelines.

Education Courses: All Secondary Education curriculum students must take the following Education courses: ED 200, ED 210, SPED 410, and ED 330. Teaching of Chemistry, History, Math, and Physics must also take CI 414. Students can request permission to enroll in ED 200 and ED 210 only after declaring the “Teaching of…” curriculum. Permission to enroll is granted by the Council on Teacher Education (3015 ETMSW; 312-355-0714). Students should meet with their department advisors to determine appropriate course sequence. Non-Education students may only take limited 100-level Education courses.

Curriculum vs. Licensure: Simply completing the requirements for a “Teaching of…” curriculum, does not guarantee licensure. Students
should be completing licensure requirements in conjunction with meeting curriculum and college graduation requirements. There are several steps in the licensure process, so it is imperative that a student meet with their program advisor to remain on track.

“The Council on Teacher Education oversees and supports all professional education programs. The Council is responsible for the coordination of professional education curricula and serves as a liaison between the University of Illinois at Chicago and the Illinois State Board of Education. In addition, the Council serves as a liaison between the University and school service personnel. The Council on Teacher Education was established by the University of Illinois’ Board of Trustees in 1943-44 to formulate policies and programs of student selection, retention, guidance, preparation, and placement in elementary and secondary schools. The Council was created in conformity with educational policies established by the campus Senate (Mission and History, CTE website).” Students will be in close contact with the Council on Teacher Education for all levels of the licensure process. Prospective students can also find additional information on their website (listed above) and in the Teacher Education Handbook for Secondary and Foreign Language.
