

# Pre-Nutrition

The Department of Kinesiology and Nutrition offers a Bachelor of Science in Nutrition. The prerequisite course work listed below prepares the student to apply for the Nutrition program offered in the College of Applied Health Sciences. Completion of the Pre-Nutrition course work does not guarantee admission to the College of Applied Health Sciences or to Nutrition Science program. Students admitted to the Nutrition Science program complete the final two years of course work within the College of Applied Health Sciences.

Please see the Department of Kinesiology and Nutrition section of the catalog for more information or visit the [department website](#).

## Prerequisite Coursework

59 semester hours, exclusive of basic military science, distributed as follows:

**Note:** Students who do not place into certain courses or do not carefully plan sequential course work should expect to take summer session courses or take longer than two years to complete pre-nutrition course work. All prerequisite courses must be completed with a grade of C or higher.

Code	Title	Hours
<b>Required Courses</b>		
HN 100	Introduction to Nutrition: New Student Seminar	2
