

# MD - Urology-Chicago (CURO)

---

## Courses

**CURO 601. Fundamentals of Urology. 2 hours.**

The student will be on the inpatient and outpatient to gain exposure to the Urology Service at the University of Illinois Hospital. Course Information: Field work required. Prerequisite(s): Completion of 2nd Year.

**CURO 614. Advanced Urology. 4 hours.**

The elective in urology is designed to provide the student interested in urology with an in-depth exposure to the field and the day-to-day operations of a urology resident. Course Information: Field work required. Prerequisite(s): Completion of 3rd Year.

**CURO 690. Away Rotation in Urology. 1-15 hours.**

An elective in Urology taken outside the University of Illinois College of Medicine with prior approval. Course Information: May be repeated. Students may enroll in more than one section per term. Field work required. Prerequisite(s): Completion of 3rd Year.

**CURO 694. Special Topics in Urology. 1-15 hours.**

Special or new topics in Urology. Course Information: May be repeated. Students may enroll in more than one section per term. Field work required. Prerequisite(s): Completion of 3rd Year.

**CURO 696. Individualized Elective in Urology. 1-15 hours.**

Individualized elective in Urology under the supervision of a faculty member or physician to fit students' interests or customized experiences with prior approval. Course Information: May be repeated. Students may enroll in more than one section per term. Field work required. Prerequisite(s): Completion of 3rd Year.

**CURO 697. Research Elective in Urology. 1-15 hours.**

Student-proposed research under a faculty member in Urology; available with prior approval. Course Information: May be repeated. Students may enroll in more than one section per term. Field work required. Prerequisite(s): Completion of 3rd Year.
