

# MS in Occupational Therapy (Entry-Level Degree)

## Admission Requirements

Applicants can obtain application information from the department's website. MS applicants must apply and submit a UIC-specific essay (<https://otcas.liasoncas.com/applicant-ux/#/login>) online, and must also submit a UIC graduate student application directly to UIC. Applicants are considered on an individual basis. In addition to the Graduate College minimum requirements, applicants must meet the following program requirements.

- **Baccalaureate Field** Any field, no restrictions. Baccalaureate degree in any field plus completion of the following prerequisites with a grade of C or above prior to enrollment: one introductory course in anthropology or sociology (equivalent to ANTH 101 or SOC 100); two courses in psychology—child psychology or child development (equivalent to PSCH 320) and abnormal psychology (equivalent to PSCH 270); one course in statistics (equivalent to PSCH 343); one course in human physiology with laboratory, covering all structures and functions of the body; and one course in human anatomy with laboratory for a minimum of 4 semester hours (laboratory with 30 hours of human cadaver lab study required). A two-course sequence in human anatomy and physiology is acceptable if it includes the cadaver laboratory (equivalent to KN 251 and KN 252). A cadaver lab is offered at UIC concurrent with the first two semesters of occupational therapy course work for accepted students who have not yet completed this requirement. All courses must be the equivalent of at least 3 semester hours unless otherwise noted.
- **Grade Point Average** At least 3.00/4.00<sup>a</sup> calculated on the last 60 semester (90 quarter) hours toward the first bachelor's degree and subsequent graduate course work.
- **Tests Required** GRE General. It is recommended that the applicant score at least at the 60th percentile<sup>a</sup> on each section: verbal, quantitative, and analytical writing. There is no minimum score required.
- **Minimum English Competency Test Score**
  - **TOEFL** 80, with subscores of Reading 19, Listening 17, Speaking 20, and Writing 21 (iBT Internet-based TOEFL); 60, with subscores of Reading 19, Listening 17, Writing 21 (New Paper-Based—after August 2018); 550 (Institutional Testing Paper-Based—prior to August 2018), **OR**,
  - **IELTS** 6.5, with subscores of 6.0 for all four subscores, **OR**,
  - **PTE-Academic** 54, with subscores of Reading 51, Listening 47, Speaking 53, and Writing 56.
- **Letters of Recommendation** Three required.
- **Personal Statement** Two required; one general and one UIC-specific essay.
- **OT Observation/Volunteer Work:** A specific number of hours of observation or volunteer work are not required; however, it is recommended that applicants have at least 50 hours of experience with an occupational therapist prior to application. Many applicants have over 200 hours of OT observation or volunteer experience.

If prerequisites were completed more than three years prior to beginning occupational therapy course work, it is highly recommended that the

applicant review a current text prior to enrollment so he or she has up-to-date knowledge. If prerequisites were completed more than eight years ago, it is recommended that the applicant retake the course(s) or complete an intensive self-study prior to enrollment. If the anatomy course was completed more than three years prior to beginning the occupational therapy courses, or if a grade of C was earned in the anatomy course, a 30-hour human cadaver lab will be required. This lab will be offered at UIC across the fall and spring semesters of the first year, and includes 30 contact hours.

- a *Applicants who do not meet the GPA or GRE expectations, but who demonstrate strengths in other areas, may be considered.*

## Degree Requirements

In addition to the Graduate College minimum requirements, students must meet the following program requirements:

- **Minimum Semester Hours Required** 72.
- **Course Work** All MS students are required to successfully complete the following courses to meet graduation requirements and to be eligible to sit for the national certification examination (see below for details regarding certification):

Course	Title
<b>Required Courses</b>	
OT 500	Theories of Occupational Therapy
OT 501	Occupational Performance in Adults and Adolescents
OT 502	Medical Conditions
OT 506	Development of a Therapeutic Self
OT 507	Introduction to Occupational Therapy Practice
OT 510	Research in Occupational Therapy
OT 511	Occupational Performance in Children
OT 512	Human Structure and Function
OT 515	Synthesis I
OT 516	Occupational Therapy Practice: Psychosocial Aspects of Occupational Performance
OT 519	Fieldwork Level IA
OT 522	Occupational Therapy Practice: Functional Movement and Mobility
OT 523	Occupational Therapy Practice: Cognition and Perception in Action
OT 524	Contexts of Occupational Therapy Practice
OT 526	Assistive Technology and the Environment
OT 529	Fieldwork Level IB
OT 535	Synthesis II
OT 538	Introduction to Advanced Practice in Occupational Therapy
OT 539	Fieldwork Level IC
OT 548	Fieldwork Level IIA
OT 549	Fieldwork Level IIB
OT 555	Synthesis III

OT 564	Leadership and Management in Occupational Therapy
OT 595	Seminar in Occupational Therapy

- **Comprehensive Examination** None.
- **Thesis, Project, or Course-Work-Only Options** Course work only. No other options available.

Graduates of the MS program offered by the UIC Department of Occupational Therapy will be eligible to sit for the national certification examination for the occupational therapist, administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the graduate will be an Occupational Therapist, Registered (OTR). In addition, most states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT certification examination. A felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or obtain state licensure.

## Tuition and Fees

The total cost associated with the Master of Science Degree program includes graduate tuition, the occupational therapy program tuition differential, fees and assessments. Information regarding all MS-related costs (<https://admissions.uic.edu/undergraduate/tuition-financial-aid>) can be found on the admissions website. Fees include a general fee, service fee, health service fee, and a Chicago Transit Authority Fee. Also included is a health insurance fee which can be waived with proof of insurance. The assessments are for building maintenance, library upgrades and technology. Graduate tuition, professional tuition, the tuition differential, fees, and assessments are subject to change.
