Degree Requirements
In addition to the Graduate College minimum requirements, students must meet the following program requirements:

- **Minimum Semester Hours Required** 32.
- **Course Work** Two tracks exist, one for students for whom this degree is intended to be final (the MA-only track), and one for whom this degree is intended to lead toward the Doctor of Philosophy in History (the doctoral track). At least 20 semester hours must be at the 500-level, and at least 16 semester hours must be in 500-level courses taught by the Department of History. Courses taken in a field other than history that are to count toward the degree need the approval of the advisor and the director of graduate studies. Credit toward the degree is not given for any course in which the student received a grade of less than B.
  - **Required Courses**: 4 hours of the 500-level seminar in the student’s major area. Students majoring in United States history must complete 8 hours of HIST 551 designated as the historiographical/bibliographical colloquium. All entering graduate students are required to take HIST 501.
- **Comprehensive Examination** Required for students on MA-only track. Students on the doctoral track do not take master’s comprehensive exams.
- **Thesis, Project, or Course-Work-Only Options** Course work only. No other options are available.

- **Other Requirements** Students must complete a seminar paper. Students must demonstrate reading knowledge in one (non-English) foreign language relevant to their course of study. Any additional foreign language requirement will be determined by the student’s advisor. After the student has completed 24 hours of course work, a faculty committee representing the student’s major and minor fields will review the record of each doctoral-track MA student in the final semester of her/his MA studies to decide whether it justifies the pursuit of doctoral studies. If the decision is negative, the student will be put on MA-only track, and will be required to take comprehensive examinations and fulfill all other requirements of the MA degree.
