Master of Physiology for Therapeutic Development (MaPTD)

Admission Requirements
Applicants are considered on an individual basis. In addition to the Graduate College minimum requirements, applicants must meet the following program requirements:

- **Degree Required** Bachelor’s
- **Baccalaureate Field** Individuals with a baccalaureate degree in the chemical/physical/biological sciences or pre-med program will be considered. If students are planning to apply to medical or health science schools after they graduate from the Master of Physiology for Therapeutic Development, prior completion of all medical or dental school prerequisite courses is required.
- **Other Requirements** At least 3.00/4.00 cumulative for the final 60 semester hours (90 quarter hours) of undergraduate study and at least 3.00/4.00 in science courses.
- **Standardized Tests Required** MCAT, GRE, or DAT. Competitive scores: MCAT: 27 in old scoring system, 55-65% in new scoring system; GRE: 153 Quantitative, 146 Verbal, 3.5 Analytical Writing; DAT: 17.
- **Minimum English Competency Test Score (if applicable)**
  - TOEFL Minimum scores: 80, with sub scores of Reading 19, Listening 17, Speaking 20, and Writing 21 (iBT Test); 60, with sub scores of Reading 19, Listening 17, Writing 21 (revised Paper-Delivered Test), OR,
  - IELTS 6.5, with sub scores of 6.0 for all four sub scores, OR,
  - PTE-Academic 54, with sub scores of Reading 51, Listening 47, Speaking 53, and Writing 56.
- **Letters of Recommendation** Three required, at least two from course professors and at least one from a professor in the sciences. Committee letters are acceptable.
- **Personal Statement** Required (500 words).
- **Statement of Purpose** Required (500 words).
- **Resume or List of Relevant Activities** Required.
- **Undergraduate Transcripts** Required.

Degree Requirements
In addition to the Graduate College minimum requirements, students must meet the following program requirements:

- **Minimum Semester Hours Required** 32 hours of graduate course work to be completed in two semesters (16 hours of required courses in the fall and 16 hours in the spring), and a successful summer internship.
- **Course Work**

**Summer Internship**
During the nine months of class work, students will be mentored to attain an internship at a local biopharmaceutical company or academic/clinical setting or engage in an appropriate project/immersion program. Students will receive a pass/fail grade based on an internship-specific rubric.

- **Grade Point Average** As per Graduate College guidelines, a minimum of 3.00/4.00 grade point average is required to graduate. Students will receive standard (A to D, four-point scale) grades for their nine required classes (including the seminars).
- **Comprehensive examination** Not required.
- **Thesis, Project, or Course Work Only Options** Neither a thesis nor dissertation is required for graduation.
