

# BS in Rehabilitation Sciences

## Program Codes:

20GF5207BS

## Degree Requirements

To earn a Bachelor of Science in Rehabilitation Sciences degree from UIC, students need to complete university, college, and program degree requirements. Students should consult the [College of Applied Health Science](#) section for additional degree requirements and college academic policies. Students must complete all required General Education, core course, and selective course requirements and a total number of 120 degree hours to successfully complete the degree program. All candidates must have at least a 2.00/4.00 grade point average in all work taken at the University of Illinois Chicago, in all work taken in the major field, and in all work accepted by the university (transfer work plus work taken at UIC).

Code	Title	Hours
<b>Summary of Requirements</b>		
	University Writing Requirement	6
	General Education Core Requirements	20
	Common Core	52
	Selectives	12
	Electives	30
	<b>Total Hours</b>	<b>120</b>
