Minor in Instructional Design and Training

Requirements for the Minor

The Minor in Instructional Design and Training (IDT) is open to majors from other units and colleges, and majors within the College of Education. Students will be admitted to the IDT minor if they meet the minimum GPA of 2.00/4.00 at the time of application. Students are encouraged to consult their home colleges about acceptability and applicability of IDT course credit toward their degree. Please check the IDT website for more information about admission to the IDT minor and the procedure for declaring a minor on a student transcript.

A GPA of 2.50/4.00 is required in courses taken towards the minor.

Code	Title	Hours
Required Core Foundation Courses		
EPSY 210	Principles of Learning and Instruction Across the Lifespan	3
EPSY 380	Instructional Design and Training	3
EPSY 450	Assessment and Evaluation of Learning Outcomes and Instructional Products [a]	3
Selective Courses		
Select a minimum of one additional production course from the list of approved selectives:		3-9
EPSY 400	Print-based Instructional Materials: Design and Development [a]	
EPSY 430	Interactive Online Instruction: Design and Development [a]	
EPSY 440	Engaging Multimedia Instruction: Design and Development [a]	
Total Hours		**12-18**

a *The prerequisite for EPSY 400, EPSY 430, EPSY 440, and EPSY 450 is EPSY 380.*

Students are required to take EPSY 380 before they take the following:

Code	Title	Hours
Courses		
EPSY 400	Print-based Instructional Materials: Design and Development	3
EPSY 430	Interactive Online Instruction: Design and Development	3
EPSY 440	Engaging Multimedia Instruction: Design and Development	3
EPSY 450	Assessment and Evaluation of Learning Outcomes and Instructional Products	3

It is also recommended but is not required that students take EPSY 210 and one of the production courses prior to taking EPSY 450.

Enrollment Residence Requirement for the Minor

A student must complete at least one-half of the coursework required for the minor field in enrollment residence at the University of Illinois Chicago.
