Minor in Moving Image Arts

The College of Liberal Arts and Sciences and the College of Architecture, Design, and the Arts offer a minor in Moving Image Arts for undergraduate students. The minor is an academic option for students who wish to complement their major with focused knowledge in the studies and practices of film, video, and new media. Students receive instruction in media history, aesthetics, theory, and technique. They engage in inquiries into how film, television, video, and digital media develop and are received in varied cultural, historical, social, economic, and technological contexts.
