

Preprofessional Studies

Pre-Public Health

Students apply for admission through the School of Public Health. Admission into the Bachelor of Arts in Public Health and Bachelor of Science in Public Health programs is selective and dependent on the availability of space. Students seeking direct admission to the Bachelor of Arts in Public Health or Bachelor of Science in Public Health programs must meet these minimum requirements:

1. Junior standing - completion of 60 semester hours of specified General Education course work at UIC or from any accredited community college or four-year college or university. Note: Students who have not yet completed the specified general education course work necessary for direct admission to the Bachelor of Arts in Public Health or Bachelor of Science in Public Health programs are eligible to apply to the Public Health–Undecided (Pre-Public Health) program within the School of Public Health.
2. Specified General Education course work includes completion of 9 semester hours of introductory public health course work with a grade of B or better in each course (PUBH 100 (<https://catalog.uic.edu/search/?P=PUBH%20100>), PUBH 110 (<https://catalog.uic.edu/search/?P=PUBH%20110>), and PUBH 120 (<https://catalog.uic.edu/search/?P=PUBH%20120>)). Special consideration will be given to students who have taken comparable prerequisites at community colleges or other four-year colleges or universities.
3. Minimum cumulative grade point average of 2.50/4.00. A 2.75/4.00 or above is recommended for priority consideration.
4. Personal statement of educational goals including reasons for selecting a public health degree.
5. One letter of recommendation from a professional or academic reference.

The 60 semester hours required for admission to the Bachelor of Arts in Public Health or of Bachelor of Science in Public Health should include the following courses:
