## Joint BA in Public Policy/Master of Public Administration

The Joint Bachelor of Arts in Public Policy (BAPP) and Master of Public Administration (MPA) is designed for undergraduates with outstanding academic performance who desire to pursue graduate studies in Public Administration. Students will earn the BAPP upon completion of the undergraduate degree requirements and the MPA degree upon completion of the Master's program requirements with 9 hours of coursework shared between the two degrees.

The requirements for completion of the combined BAPP/MPA degree are identical to the completion of these two separate degrees; however, there are 9 hours of shared coursework used for both degrees. Completion of 111 hours at the undergraduate level; plus 9 shared hours counting toward both the BAPP and MPA degrees; plus 44 hours of coursework at the graduate level will result in joint BAPP and MPA degrees.

Students may submit their intent to apply to the joint degree program when they enter as freshman or when they transfer into the college. They should meet with their undergraduate advisor to plan their courses accordingly. Students must apply to the program their senior year and be accepted by a DGS#led admissions committee. To be eligible, students are required to have a minimum cumulative GPA of 3.40/4.00 upon application and throughout the remainder of their senior year. After completing their senior year, they must maintain a GPA of at least 3.00 in all graduate coursework.

## Joint BA in Public Policy/Master of Public Policy

The Joint Bachelor of Arts in Public Policy (BAPP) and Master of Public Policy (MPP) is designed for undergraduates with outstanding academic performance who desire to pursue graduate studies in Public Policy. Students will earn the BAPP upon completion of the undergraduate degree requirements and the MPP degree upon completion of the Master's program requirements with 9 hours of coursework shared between the two degrees.

The requirements for completion of the combined BAPP/MPP degree are identical to the completion of these two separate degrees; however, there are 9 hours of shared coursework used for both degrees. Completion of 111 hours at the undergraduate level; plus 9 shared hours counting toward both the BAPP and MPP degrees; plus 44 hours of coursework at the graduate level will result in joint BAPP and MPP degrees.

Students may submit their intent to apply to the joint degree program when they enter as freshman or when they transfer into the college. They should meet with their undergraduate advisor to plan their courses accordingly. Students must apply to the program their senior year and be accepted by a DGS#led admissions committee. To be eligible, students are required to have a minimum cumulative GPA of 3.40/4.00 upon application and throughout the remainder of their senior year. After completing their senior year, they must maintain a GPA of at least 3.00 in all graduate coursework.

## Joint BA in Public Policy/Master of Urban Planning and Policy

The Joint Bachelor of Arts in Public Policy (BAPP) and Master of Urban Planning and Policy (MUPP) is designed for undergraduates with outstanding academic performance who desire to pursue graduate studies in Urban Planning and Policy. Students will earn the BAPP upon completion of the undergraduate degree requirements and the MUPP degree upon completion of the Master's program requirements with 9 hours of coursework shared between the two degrees.

The requirements for completion of the combined BAPP/MUPP degree are identical to the completion of these two separate degrees; however, there are 9 hours of shared coursework used for both degrees. Completion of 111 hours at the undergraduate level; plus 9 shared hours counting toward both the BAPP and MUPP degrees; plus 51 hours of coursework at the graduate level will result in joint BAPP and MUPP degrees.

Students may submit their intent to apply to the joint degree program when they enter as freshman or when they transfer into the college. They should meet with their undergraduate advisor to plan their courses accordingly. Students must apply to the program their senior year and be accepted by a DGS#led admissions committee. To be eligible, students are required to have a minimum cumulative GPA of 3.40/4.00 upon application and throughout the remainder of their senior year. After completing their senior year, they must maintain a GPA of at least 3.00 in all graduate coursework.

## Joint BA in Public Policy/MS in Civic Analytics

The Joint Bachelor of Arts in Public Policy (BAPP) and Master of Science in Civic Analytics (MSCA) is designed for undergraduates with outstanding academic performance who desire to pursue graduate studies in Public Policy and Civic Analytics. Students will earn the BAPP upon completion of the undergraduate degree requirements and the MSCA degree upon completion of the Master's program requirements with 9 hours of coursework shared between the two degrees.

The requirements for completion of the combined BAPP/MSCA degree are identical to the completion of these two separate degrees; however, there are 9 hours of shared coursework used for both degrees. Completion of 111 hours at the undergraduate level; plus 9 shared hours counting toward both the BAPP and MSCA degrees; plus 44 hours of coursework at the graduate level will result in joint BAPP and MSCA degrees.
