Director of Undergraduate Studies and Associate Professor of Public
Administration, Kelly LeRoux, kleroux@uic.edu
Assistant to the Department Head, Sharon Hayes, shar@uic.edu

Bachelor of Arts in Public Policy
Public Policy is a field that promotes the understanding of public
problems and how governments and the public attempt to address them.
Public Policy provides excellent preparation for careers in government at
all levels (federal, state, local), as well as the nonprofit sector, law, and
consulting. Given the impact public policy has on medicine, engineering,
technology, and other key sectors of the global economy, a minor in
Public Policy provides critical knowledge for students pursuing careers in
these fields.

This program focuses on the systematic analysis of public policy issues
and decision processes, and includes instruction in the role of economic
and political factors in public decision-making and policy formulation,
microeconomic analysis of policy issues, resource allocation and decision
modeling, cost/benefit analysis, statistical methods, and through a three-
course specialization sequence, includes applications to specific public
policy topics. Students may enter as freshmen or as transfer students
from other programs or universities. Students must maintain a minimum
cumulative GPA of 2.00/4.00 in all course work taken at UIC and a
minimum GPA of 2.50/4.00 in all course work counting toward core
program requirements (see below).

Grade Point Average
A student must earn a cumulative grade point average of 2.00/4.00 in
all work taken at UIC and a cumulative grade point average of 2.50/4.00
for required courses (core program requirements) for the Public Policy
degree. In addition, the combined grade point average of a student’s
transfer work and work taken at UIC must be at least 2.00.

Minor in Public Policy
The minor in Public Policy is open to undergraduate students from any
unit or college at UIC. Note that students who are pursuing a BA in Urban
Studies may not count courses on this list toward both the degree and
the Public Policy minor. Students must submit a request form to the
Department of Public Administration (shar@uic.edu or 2108 AEH, 400
S. Peoria St.) to enroll. Note that students pursuing a BA in Urban and
Public Affairs (UPA) or Urban Studies (US) and the minor in Public Policy
may not use the same courses for both the degree and minor. Students
are encouraged to consult with their primary advisor in their home unit
about the suitability of the Public Policy minor to their overall academic
plan of study. Elective courses may have prerequisites that do not count
toward the minor. Students must maintain a minimum GPA of 2.50/4.00 in
all course work counting toward the minor.
